

## Profile

**Chander Agarwal**  
Executive Director  
Transport Corporation of India Ltd

Chander Agarwal, 30, is spearheading the Global expansion of TCI Group. He is also part of Group TCI's senior decision making team.

Chander is a graduate in Business Administration, with major specialization in Management and minor in Political Science and Economics from Bryant College, Rhode Island, USA. His hands on experience with Transfreight USA, a 3PL specializing in lean logistics primarily for Toyota Motor Vehicles USA, has equipped him with in-depth understanding and knowledge of the supply chain management business.

He joined TCI as a management trainee in 2002 and became the Executive Director of the company in 2008 through his dedication and dynamism. Prior to joining TCI Global, he also worked with other divisions of TCI- Seaways and XPS. His knowledge of the international working environment, global logistics expertise, coupled with his perseverance and innovative approach enabled him to set higher standards of operational efficiency.

Assiduous in nature, Chander has been instrumental in initiating new ventures and setting benchmarks for TCI and the industry.

He has been involved with the CSCMP since 2004. He has been on the marketing committee at a Global level and currently is the VP India chapter.
