India Glycols Ltd & Transport Corporation of India Ltd are jointly organizing the
“4th Road Safety Event and Health Camp”

Kashipur, March 4th, 2017: India Glycols Ltd and Transport Corporation of India Ltd are jointly organizing the 4th Road Safety Event and health camp on 4th of March 2017 at India Glycols campus, Kashipur.

The focus of the event is on Road Safety and to promote general safety practices. The event will see a participation of over 350 people. It will be graced by various Govt. officials, industry leaders and over 50 transporters from various places with different fleet category owning over 5000 vehicles, along with their 150 drivers associated with India Glycols Limited.

The best drivers will be recognized by felicitating them with smart mobile phones. On this occasion a safety booklet “**Sureksha Sandesh**” will be released by Mr. Chandresh Kumar, DM Uddham Singh Nagar.

Health camps & games will be organized simultaneously by TCI Foundation (A division of Transport Corporation of India Ltd) with the event. Activities like health checkup, health games - slogan writing, panja ladaoo, bucket uttaoo, IPC and health quiz will be conducted in order to give safety and health message in a simplified manner.

Speaking about the occasion **Mr. SK Shukla, General Manager Commercial & Logistics India Glycols Limited** says that the drivers had a great role in nation building and their contribution was often overlooked by the society. They were never given the due recognition they deserved. The event is focused on **raising awareness about issues related to road safety**. He says the primary objective of this event is to focus on road safety and to acknowledge the contribution made by every transporter in our growth. He emphasizes on the steps taken by IGL such as construction of a first class 20 bedded retiring room for the drivers to rest after an arduous journey and construction of a driver’s training room to polish their driving skills and also learn about various handling and safety regulations. IGL truly believes in “Safety First” and has been in the forefront in adopting the best safety practices in the Industry.

Mr. Rajkiran Kanagala, Group Head- Business Development, says “It’s a platform to share knowledge & give safety tips to drivers to perform their job safely while driving on road, knowledge acquired by participation at this event is one of the method to spread awareness & to create an effective safety culture. At TCI we believe in doing such trainings on a regular basis be it road safety, electrical safety, fire safety or material handling safety.

TCI is committed to meeting or exceeding all applicable safety and health regulations, continuously improving the safety of our work environments by investing in our work environments by investing in our people and our facilities, creating and maintaining a World Class Safety culture to achieve an accident free work environment. TCI strives to provide a safe, healthy, clean and ergonomic working environment for its people.
