Commenting on company's performance, **Mr. Vineet Agarwal, Managing Director-TCI** said, our performance for the third quarter is attributed to our resilience to market turbulences amid demonitisation and operational efficiency. We will continue to perform well and remain confident of sustaining growth levels in the fourth quarter and for overall fiscal year as well.

He further added that, Demonitization has worked in our favor as we already established the practice of being "Cashless" be it in transactions with our business partners or for the workmen at our warehouses. For our fleet we installed electronic tags; mobile wallet payments, RTGS, etc. were some of the other Digital initiatives taken across the value chain.

He also added, GST implementation will lead to need for larger warehousing and bulkier movements between hubs, lesser paper work and faster movement of trucks which would benefit the industry as a whole.

Keeping in view of the overall performance, TCI Board of Directors has decided to pay 2nd interim dividend for FY 2016-17 to shareholders at 25% (i.e. Re. 0.50) per share, in addition to the 1st Interim Dividend already declared and paid by the Company on 4th November, 2016, aggregating to 55% (Rs. 1.10) per share.
