

TCI wins Mahindra Transport Excellence Award 2013

- *Receives the award under Accepting No Limits- Fleet Owner Category - Automotive Category*

New Delhi, January 16th 2014: Transport Corporation of India Ltd. has been awarded the Mahindra Transport Excellence 2013 under the '***Accepting No Limits- Fleet Owner Category - Automotive category*** at a recently held award function in New Delhi. Prominent transporters and dealers from different walks of transport ecosystem witnessed the ceremony dedicated to the Transport Industry.

On TCI winning the award, Mr. Vineet Agarwal, Managing Director, TCI said, "We are happy to receive this award as it is a recognition of our constant endeavor to consistently better our performance and add value to our customers' needs in the varied sectors."

He further added, "The 3PL service sector has grown rapidly in the last few years and has emerged as a full-fledged disciple of the Supply chain management. TCI has been a pioneer in providing solution for the automotive sector and the company is positioned as a matchless logistics solution service provider in the country."

The awards are a testimony to TCI's capabilities to think big and look beyond conventional boundaries to benchmark for best-in-class, and take well-reasoned risks to deliver breakthrough products, services and solutions for their customers. TCI won the award after a detailed screening and validation process.

Major leading automotive plants in India are using TCI Supply Chain Solutions Division as their lead logistics provider (LLP). TCI Supply Chain Solutions has considerable expertise in planning implementation and re-engineering of Auto and Spare Parts supply chain processes. It has successfully planned and managed supply chains of all leading manufacturers of cars, two-wheelers, tractors, and auto components. Automobile and Auto Component manufacturers are focusing more on their core competencies thereby outsourcing their logistics requirements to specialized 3PL service providers.

Last year the company's social arm won Mahindra Navistar Transport Excellence Award 2012 under the NGO category for project Kavach – an endeavor to address the issue of HIV / AIDS among truckers.

About Group TCI: Group TCI, with revenues of over Rs. 2300 crores, is India's leading integrated supply chain and logistics solutions provider. TCI group with expertise developed over 5 decades has an extensive network of company owned offices, 9.75 mn. sq ft of Warehousing Space and a strong team of trained employees. With its customer-centric approach, world class resources, State-of-Art technology and professional management, the group follows strong corporate governance and is committed to value creation for its stakeholders and social responsibilities. TCI was the first to launch several solutions in the logistics field. Its product offering includes:

TCI Freight: India's leading surface transport entity. This division is fully equipped to provide total transport solutions for cargo of any dimension or product segment. It transports cargo on FTL (Full truck load) / LTL (Less than truck load) / Small packages and consignments/ Over Dimensional cargo.

TCI XPS: A leading express distribution specialist, it offers a single window door-to-door & time definite solution for customers' express requirements. It services 13000 locations in India and 200 countries abroad.

TCI Supply Chain Solutions: TCI SCS is a single window enabler of integrated supply chain solutions right from conceptualization and designing the logistics network to actual implementation. The core service offerings are Supply Chain Consultancy, Inbound Logistics, Warehousing/ Distribution Centre Management & Outbound Logistics.

TCI Global: The global business division of TCI provides end-to-end logistics solutions across boundaries. TCI Global offers freight forwarding & customs clearance activities from all its domestic and international offices. TCI Global caters to specific industry verticals such as Pharma & Temp control, Commodity (Agri & Non Agri) Retail & FMCG, Auto & Project Cargo.

TCI Seaways: TCI Seaways has well equipped ships in its fleet and caters to the coastal cargo requirements for transporting container and bulk cargo.

TCI Developers Ltd: The real estate arm of Group TCI has been created to look into the development of commercial properties of TCI. These properties will be developed into office complexes, residential buildings, etc. depending on the best use of the property. It is also undertaking development of large modern Warehouses, Logistics Parks etc.

TCI Foundation: As the group's social arm, TCIF fulfils corporate social responsibility and runs charitable hospitals and schools for the under-privileged in the rural areas. It has also collaborated with the Bill & Melinda Gates Foundation & National Aids Control Organization to run programs on AIDS interventions and education among the vulnerable trucking community.
