

TCI's 'Truckers Utsav'

In an effort to acknowledge the contribution of Truckers in our everyday lives, TCI Foundation (TCIF), the social arm of Transport Corporation of India, organised a nationwide event "Trucker's Utsav" at 73 trans shipment locations across the country. The activity was organised as part of the events held to observe the world AIDS day under the National HIV / AIDS prevention program among long distance truck drivers and helpers which is an endeavour to arrest the spread of AIDS amongst the trucking community, supported by National AIDS Control Organization.
