TCI successfully completes construction of houses in Village Nimo, Ladakh

Transport Corporation of India (TCI), India's leading integrated supply chain and logistics solutions provider today announced the successful completion of 6 newly constructed houses for flood hit victims of village Nimo- 35 kms from Leh, Ladakh. The village was devastated in the cloudburst that hit the region last year.

DP Agarwal, Vice Chairman & Managing Director (TCI) handed over the constructed houses to the inhabitants of the village amidst the presence of officials from the Government of Jammu & Kashmir, local ministers and councilors from the region. The dignitaries present during the occasion were Nawang Rigzin Jora, Hon'ble Minister for Tourism & Culture, Government of Jammu & Kashmir and Mr Rigzin Spalbar, Ladakh Autonomous Hill Development Council.

Speaking on the occasion, D P Agarwal, Vice Chairman & Managing Director, TCI stated, "The picturesque landscape of Ladakh was completely devastated with the cloudburst which caused unprecedented damages to both life and property. TCIF in its endeavor to restore life in the region has carried out construction of houses as rehabilitation measures".

Appreciating TCI's commitment in living up to its words; Tsewang Paljor, District Cultural officer/ Relief Officer, Village Nimo said in an appreciation letter, "TCI is the

only corporate body who have come forward to help the flood victims of Ladakh and more importantly have completed the task according to the designed approved by the local administration and have handed over the houses to the victims within the shortest possible time period.”

TCI's CSR vision is to make a qualitative difference to our society and environment.

TCI Foundation has undertaken many initiatives in the areas of health, education, disability and disaster relief. TCI has proactively responded to disaster hit areas promptly with immediate relief measures.
