### Truckers' Utsav held on Aids Day

In an effort to acknowledge the contribution of truckers in our everyday lives, TCI Foundation (TCIF), the social arm of Transport Corporation of India Ltd, organised a nation-wide event, Truckers' Utsav, at 73 trans-shipment locations across the country. The activity was organised as part of the events held to observe the World Aids Day. Indra R Singh, project director, TCIF, said, "It is our responsibility to make life better for the truckers who are the lifeline of the sector. The Truckers' Utsav is an annual feature of TCIF that provides a platform to bring thousands of truckers together to spread out the message on prevention of HIV/Aids and sexually transmitted diseases in an interesting, entertaining and stimulating way."
