Industry: Transport/Logistics

Company: Transport Corporation of India Ltd

Transport Corporation of India (TCI) has inaugurated its first State of the Art Cold Chain Warehouse at Pataudi Road, Gurgaon in the NCR region. This is the company's first foray in temperature controlled warehouses as part of an overall strategy to build a cold chain network of warehouses and refrigerated trucks. The Warehouse will be managed by TCI Supply Chain Solutions, a division of TCI for multi user customer requirements.

The new facility is one of the largest and most advanced of its kind. Located in heart of NCR, the cold storage is a part of a large 250,000 sq. ft. multi-user warehouse facility. The Cold warehouse has 5,000 pallet positions, totaling 11,700 CMT of temperature-controlled space. The warehouse is divided into seven zones, with full temperature control ranging from -30 to +25 degrees Celsius. It can also maintain relative humidity levels upto 35 RH.

The facility incorporates world-class warehouse design and technology, offering integrated cold chain services, and encompassing multi-temperature refrigerated storage, Blast Freezer, Ante Room, Processing Area, warehouse and inventory management services, and transport and distribution solutions to meet customers' varying requirements.

Transport Corporation of India is India's leading integrated supply chain and logistics solutions provider and a pioneer in the sphere of cargo transportation in India.
