Transport Corporation of India (TCI) the leading integrated supply chain and logistics solutions provider ventures into temperature controlled warehouse management system. TCI has inaugurated its first State of the Art Cold Chain Warehouse at Pataudi Road, Gurgaon in the NCR region as per its strategic plan to build a cold chain network of warehouses and refrigerated trucks with world-class technology and design.

The Cold warehouse includes 5,000 pallet positions, totaling 11,700 CMT of temperature-controlled space and is divided into seven zones that are fully temperature controlled within the range of -30 to +25 degrees Celsius. The warehouse has the capability of maintaining relative humidity levels of upto 35 RH. The new set up is one of the largest and most advanced of its kind spread across an area of 250,000 sq. ft. The warehouse is a multi-user facility warehouse offering integrated cold chain services, and encompassing multi-temperature refrigerated storage, Blast Freezer, Ante Room, Processing Area, warehouse and inventory management services, and transport and distribution solutions to meet varying requirements of customers.

Transport Corporation of India is India's leading integrated supply chain and logistics solutions provider and a pioneer in the sphere of cargo transportation in India with customer from various industries like Retail, Pharma, Chemicals, QSR and Food and Apparel. The warehouse will be managed by TCI's Supply Chain Solutions, a division of TCI for multi user customer requirements.

TCI has ample experience in the supply and logistics field to successfully progress in its new venture. It is a noted name in industry for over 5 decades with extensive network of company owned offices. TCI has remarkable presence in Freight, XPS, Supply Chain Solutions, End to End logistics, Seaways transportation of containers and bulk cargos.

TCI is one of the Top 500 Shares (<https://www.dynamiclevels.com/en/share-market-tips/stock-watch/top-500>) identified by Dynamic Research team at the end of every quarter out of 1700 Shares of NSE.
